30th March 2010

Dear Member,

Re: Optus Tower Proposal

Further to my letter sent to members on the 15th March 2010 where the Board had been approached by Optus Mobile Pty Ltd, suggesting that the Bargara Golf Club was their preferred site to build a communications tower, I wish to inform you that although the Board felt that the offer was a very good ongoing income stream for the Club, it was not in the best long term interests of the Club.

As was stated in the Club's correspondence to Optus and in my advice to the members, it was never the intention of the Board to approve of this proposal until we had progressed through a full stakeholder consultation process. We have now received substantial feedback which has allowed the Board to make the decision not to pursue this matter any further.

I would like to thank Club members for their input, support and concerns in reaching this decision.

A letter has been sent to Optus thanking them for the opportunity to be part of their team to improve better communications around Australia.

Yours sincerely,

John Bloem
President
BARGARA GOLF CLUB
