30th March 2010

NOTICE TO MEMBERS

As from Monday 12th April 2010 Members Green Fees will increase by \$1.50 per Game

Due to the ever increasing costs to maintain a top quality course for our Members, the Board has no choice but to increase our fees to maintain a facility to which our Members have become accustomed to.

Since our last increase in May 2008, there have been a number of substantial increases in cost of goods and services in maintaining a quality golf course and in providing clubhouse facilities.

Listed below is a sample of some of the increases that the Club has endured since our last increase in green fees.

- Electricity costs have risen by approximately 18%
- Rates increases
- Cost of Course improvements
- Increased wage costs
- Implementation of the On-Line booking systems and associated works
- Purchase of new course machinery
- Substantial loss of income due to inclement weather.

It should also be noted that Social Golf Fees are also being increased by \$4.00 to assist in funding required works and providing necessary services.
